

The Society for The Cure of Souls

*Become part of a new movement
in Spiritual Psychotherapy!*

*Are you looking to be more than a traditional counselor?
Do you want to help others work on the spiritual aspects of their lives?
Join SCS today!*

1. Become Part of a Referral Base for Christian Counselors

Share your knowledge of the soul and The Cure of Souls with others who are seeking to know the love of Jesus Christ, and empower others through Spiritual Direction and healing.

2. Identify with Like-minded People

Unite with other Christian believers who use the Holy Scriptures every day to help and guide others to Christ. Become part of a Christian-oriented group of counselors, spiritual directors, and advisors who share similar interests and problems. SCS provides an inviting atmosphere of trust in which counseling situations can be openly discussed and problems can be solved through others' experiences.

3. Enhance Your Status

SCS promotes Spiritual Psychotherapy as a way to help seekers form a closer relationship with God and achieve peace in their lives and with others. SCS works to ensure that the standards and credibility of clergy and Christian counselors always remain high.

4. Increase your knowledge

Attend SCS Spiritual Direction and Christian Counseling workshops and conferences and learn more about Spiritual Psychotherapy.

5. The 7 Steps to The Cure of Souls

Your membership includes the new Bible-based counseling and spiritual direction book, *The 7 Steps to The Cure of Souls*. This book and being a member of SCS can help you learn how to balance work and family and the stress pastoral counseling can bring to your own life and others.

What is The Cure of Souls?

The Cure of Souls is about making a profound change in your life through a process of spiritual healing that will lead to wholeness. Some people today will call it emotional healing, but

the concept has existed for many years. However, with the diminishing authority of the church this biblical wisdom has unfortunately been largely forgotten.

However, a new Bible-Based counseling and spiritual direction book is reviving The Cure of Souls. *The 7 Steps to The Cure of Souls*, written by Dr. Robert O'Block, uses biblical principles to help people develop a more intimate relationship with God while assisting them as they move through their lives in this turbulent world. *The 7 Steps to The Cure of Souls* outlines, step by step, how you can apply the biblical wisdom of Scripture to find emotional healing, wholeness, and wellness in your life.

The Mission of SCS

The Society for The Cure of Souls will bring people together to equip them to pray for, encourage, and serve those who wish to believe in Jesus Christ and live a Christ-centered life fully devoted to God through the ministry of The Cure of Souls.

The Purpose of SCS

Guiding seekers, one soul at a time, The Society for The Cure of Souls will work to meet the challenges of the 21st century by reviving the church's traditional mission, The Cure of Souls.
